

“Milk Price SOLUTIONS”

Pete Hardin Sets Dairy Meetings: April 10-11

Speaker: Pete Hardin

(Editor/Publisher—*The Milkweed*)

All dairy farmers & other interested persons are invited to a public meeting to detail SOLUTIONS to milk pricing. Let's fix milk pricing.

Pete Hardin will detail: Why we're headed for \$20/cwt. milk and \$2500-\$3000 springers; how the U.S. and the world are short of dairy proteins; how U.S. dairy farmers lost \$2.77/cwt. in December 2006, because USDA used unduly low milk powder prices to calculate milk prices.
